

## Vertical Extended Shaft Pumps FPE-V

Capacity up to : 400 M<sup>3</sup>/Hr.  
 Temp. up to : 120° C  
 TDH up to : 55 MLC  
 Working Pr. up to : 15 Bars  
 Delivery Size up to : 150 mm  
 Column Height up to : 10 mtr.

### Industries Covered

Pharmaceuticals & Chemical	RO & DM Water Plants
Pulp & Paper Industries	Waste Oil Refining Plants
Effluent Treatment Plants	Solvent Transfer
Dyes & Intermediates	

**Selection Chart 1450 RPM**

**Selection Chart 2900 RPM**

### Material of Construction :

Pumps are manufactured in variety of materials such as

- Stainless Steel as per ASTM A 351/743 Gr. CF8, CF8M, CF3, CF3M.
- CI / WCB
